Name _____ Per. __ **ADDITION WAR**

Addition War is played with a deck of cards by two people.
Aces have a value of 1 and all face cards (jacks, queens and kings) have a value of 10.
Reds are negative and blacks are positive.

How to play:
1. Remove jokers and deal out all the cards. (Each person should have 26)
2. Put your 26 cards in a pile face down.
3. Each player turns over 2 cards at a time and adds them together.
4. The player with the highest number takes all the cards.
5. In case of a tie, each player will place down 2 more cards and add them. The winner will take all the cards played that round.
6. Record the plays in the space below. Each person will record on their sheet..
7. The winner is the person with the most cards at the end of the game.
